Re: Bexar Metropolitan Water District, Docket No. 2006-1833-DIS

Dear Mr. Seal:

On behalf of Bexar Metropolitan Water District, I am writing to request that the Commission's consideration of the District's impact fee application and associated requests for hearing be continued indefinitely. Those matters are currently set for consideration on the Commission's August 8, 2007 agenda.

The basis for this request for continuance is that the District would like an opportunity to address questions about the application that have recently been posed by Commission staff. A dialogue between the District and staff concerning those questions is ongoing. In addition, I met yesterday with staff and we agreed on a course of action to continue to resolve their issues that currently exist concerning the District's application. The District wishes to continue that process, and hopefully to resolve all questions and concerns about the District's application, before the application is presented to the Commission.

I am authorized to say that Scott Humphrey of the Public Interest Counsel's office does not oppose this request for continuance.

Very truly yours,

Celina Romero
